Foreword

The live oak is a deep-rooted tree of great strength with spreading branches—a symbol of youth maturing into adulthood.

Our roots, like the mighty oak, must be firmly planted in the “deep soil” of education in order to grow straight and strong—capable of reaching out with courage, inspiration, and wisdom.

We hope that when we look back on these experiences that they will be remembered as a source of encouragement and joy.

 I've only been here such a short time, and
 I've known you even shorter time, yet I've come
 to realize that a short time is a good time to find
 good, clean people. Really, I think you're a
 sweet friend, a good cheerleader, a fine student, and
 a wonderful person in general. Keep your
 personality just as wonderful as now.
 Hey! Remember that "double" with Wayne & Dennis???)
 Always,
 Loueta

Dedication

The Live Oak Annual of 1964 is enthusiastically dedicated to Youth—universal youth. The heart-aches, problems and gripes of youth are acknowledged in the same light as their zest for life, *ambition* and general all-around *exuberance*.

May the youth of Beaumont press ever forward toward progress and fulfillment, utilizing their energy for the benefit of mankind.

Dedication to Our New Teachers

We have chosen a star to represent our new teachers. Since the beginning of time, man has depended on stars for guidance.

We students must also be guided—and guided correctly.

Each point of this star represents a different phase in education including English, Science, Physical Education, Math, and Library Science.

Teachers, acting as stars, help to brighten the way and lighten the load of their many students.

All successful governmental systems must have a basic foundation. I believe student government plays a very important role in the government of tomorrow. I am particularly honored to have served as your Mayor during the past year, and I greatly appreciate the cooperation from the faculty, Council members, and students.

Our school and the people attending have gained experience which will benefit them in the future. This experience is bound to make us better and more responsible citizens in the years to come. I sincerely wish the very best to all of you in future years.

Heading the *Cougar Flash* staff is Editor Rose Ann Roman. Aiding her is another senior, assistant editor, Judy Livacich who has three years of Journalism to her credit. Two more seniors, Joya McDown, news editor, and Diane Collins, feature editor, have also added their talents for two years. A junior, Bill Pitts, who is in his first year of newswriting, is editor.

Fred Carlin, a senior, is the staff photographer.

The *Cougar Flash* advisor, and a person most instrumental in the success of this school newspaper, is Mr. Lee Walker.

"All the news all the time" is the motto of the *Cougar Flash*, Beaumont High's student newspaper. The Journalism I and II classes strive to achieve and uphold this motto. The *Cougar Flash* has moved from a mimeographed paper to a two-page spread in the *Beaumont Banning Daily Gazette*. Now the paper can publish not only stories but pictures as well. The *Cougar Flash* is published bi-monthly and it is distributed to BHS students the following day.

First year students learn the fundamentals of newswriting and are given the opportunity, occasionally, to have their work printed in the paper. The Journalism II students plan and complete most of the writing for the school paper.

CANDY STRIPERS

The Beaumont High School Candy Strippers under the direction and supervision of the hospital staff at the San Geronio Memorial Hospital, have the privilege of participating in a "work experience program." This is an organized medical group and its purpose is to give the students a working experience in the field of nursing. They are a contribution to our community—helping to serve the sick by giving their time to ease the suffering of others.

Beaumont

BEAUMONT 9, BANNING 25

In the traditional rivalry between Beaumont and Banning it was Banning's night, 25-9. Beaumont drew first blood when Claude Lubin tackled the ball carrier in the end zone for a safety and 2 points. Beaumont's only touchdown came on a 51 yard pass play from James to D. Flores.

BEAUMONT 14, HEMET 42

The Beaumont Cougars looked as though they were going to win their opening DAL game against heavily favored Hemet as the Cougars held grimly to a 7-6 half-time lead. However, the awesome power of the Bulldogs asserted itself in the second half completely negating any chance of a Cougar victory.

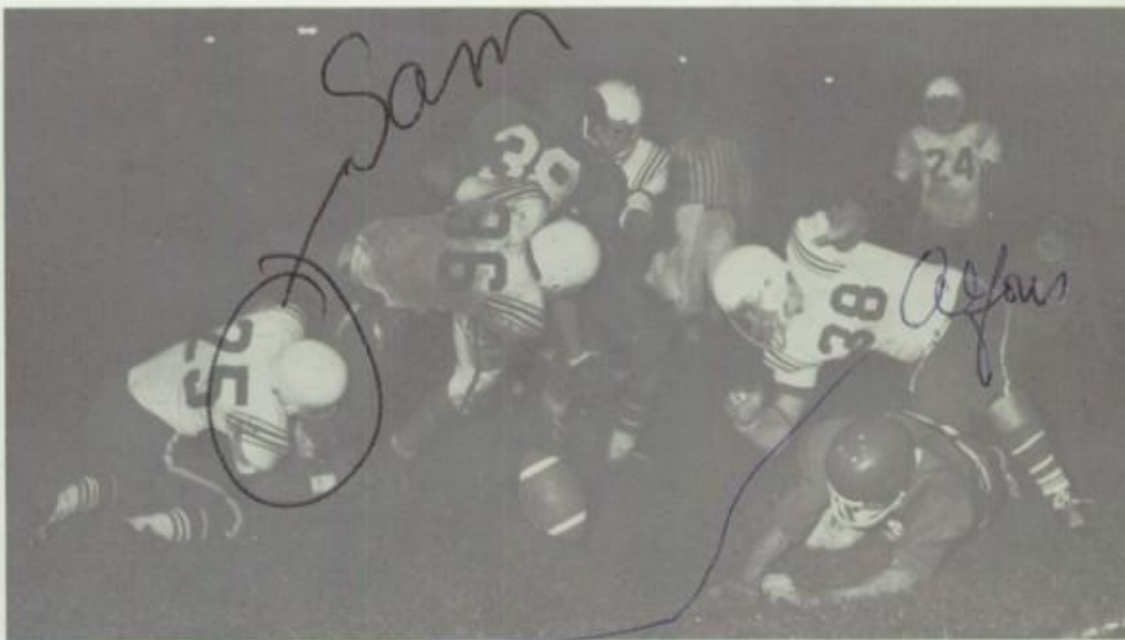

ELSINORE 7, BEAUMONT 20

As Beaumont clashed with Elsinore the largest crowd of the year saw the Cougars come out on top, 20-7 behind the brilliant defensive play of Morales and Johansen. Don Ecker scored on runs of 31, 9, and 65 yards to pace the Cougars' offense, while Morales and Johansen made 19 and 13 tackles respectively in support of a stubborn Beaumont defense.

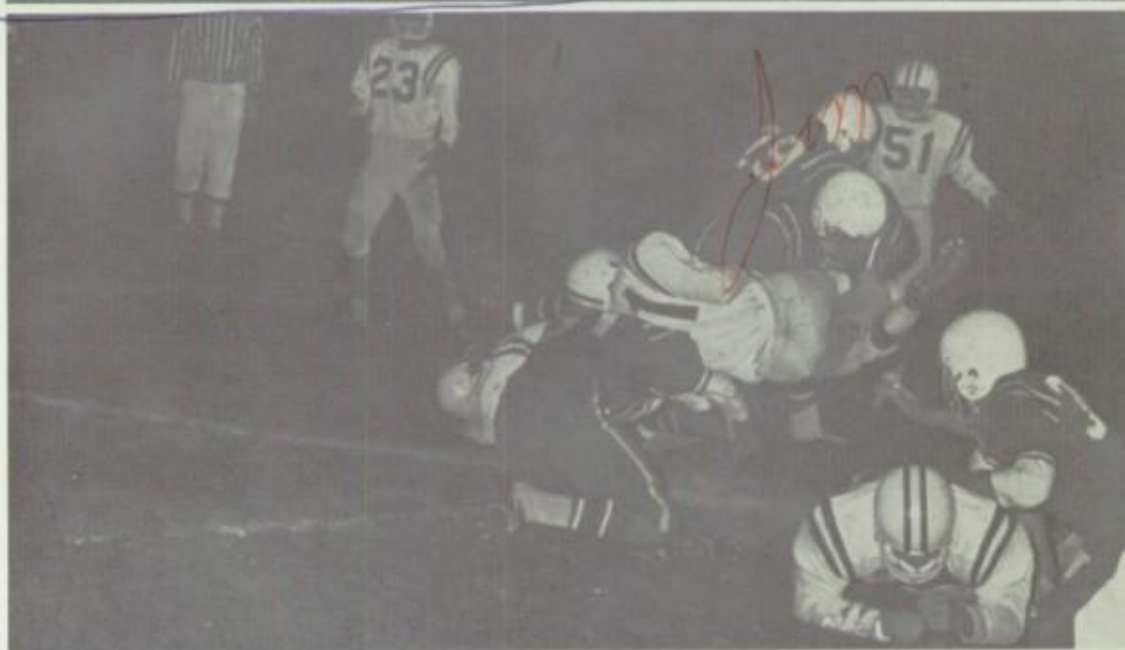

Cougars

BEAUMONT 21, PERRIS 40

Beaumont fans were entertained by a wild scoring football game and by beautiful girls in the annual Cougar Homecoming Game. Esther Nelson was crowned Homecoming Queen to the delight of the huge throng. Beaumont led Perris at the half by a score of 14-13 with Jim Skelton looking especially good in the line.

NORTE VISTA 20, BEAUMONT 6

This game was one for the books as Beaumont completely outdid the Braves in everything but scoring. The Cougars got the ball on a punt and marched 80 yards for the first score.

Beaumont ran and passed at will but could not score. Don Ecker ran for a total of 285 yards. In the line Laughlin, Jantzen, and Lubin looked especially good for Beaumont.

SAN JACINTO 13, BEAUMONT 7

In the final game of the season, Beaumont lost a fine defensive battle to the Tigers of San Jacinto. Outstanding efforts were turned in by Valdivia, Ecker, and Travis in the backfield and by Cunningham, Jantzen, Baumstark and Johansen in the line.

- Linda -

Well it has been one ~~mess~~^{mess} of a year.
We've had our good times and our disagreements.
But all in all we have been friends ~~to~~ for
along time and I hope for even longer. There
isn't much I can say on paper, but
there is plenty I can think, that's going
through my little head. You're one of nicest
friends anyone could have. At least we never
have to worry about go out ~~on~~ with each
others boy-friends. You're right that was a chap
for someone!!!! I'll finish later. I haven't seen
you much lately but I guess you know why.
Altho I do I keep in mind that you
are always there ready to cry on your
shoulder. And heaven only knows I've needed
it enough and still do.
I have one real good suggestion. I'm giving
up on love before love completely gives up on
me. I guess you know how I feel about one
certain person. But you can't win 'em all honey.
I'm going to die. What to join me? All my
trials soon be over!! May God Bless +
Be with you always. And may God
give you someday the dove returned to you
that you have waited so long for.

Love
Elizabeth

Linda,
you are a
real swell girl
and I have really
enjoyed our friendship.
I know we'll really have
a blast next year in cheer-
leading. (That is, if all of us
can get along.) Keep your sweet
personality and you'll always be tops
Good luck in the future

Dearest Linda:

All during football season at all
the TV games, I tried to get you to
notice me because I really liked you.
I still think you're the sweetest girl
on campus and I think I'll always
like you and never forget you. I want
to wish you all the luck, love and
happiness in the world. A girl with
your personality, absolutely great
looks and ambition can't miss in
this cold cruel world. Lots a luck

But since Mr. Lamb is your
favorite teacher I know that
